About Heywood Healthcare:

Heywood Medical Group is a non-profit physician organization affiliated with Heywood Hospital and Athol Hospital with over 70 providers specializing in primary and specialty care. Our primary care physicians focus on Pediatrics, Family Medicine, and Internal Medicine while our specialty care physicians focus on the areas of Addiction Medicine, Cardiology, Gastroenterology, General Surgery, Infectious Disease, Obesity, Obstetrics/Gynecology, Orthopedics, Pain Management, Rheumatology, and Urology.

Heywood Hospital is a state-of-the-art community hospital serving the Greater Gardner community, featuring modern imaging services, including new MRI and 64-slice CT machines. Opened in 2011, the $37 million Watkins Center features a 21-bed emergency center, private inpatient adult medical/surgical/telemetry beds, a six-bed ICU with 24/7 eICU services, mental health unit, geriatric psych unit and wound clinic. There is 24/7 specialist coverage in cardiology, OB/GYN, orthopedics, general surgery and pediatrics as well as a strong hospitalist service.

Athol Hospital is a non-profit 25 bed acute care critical access hospital serving nine communities in the North Quabbin Region, only 20 minutes from Heywood Hospital. This facility features a new state-of- the-art Medical Office Building, imaging services, 24/7 emergency room with 13 beds, and a swing bed program which transitions patients from acute care to sub-acute care in order to accommodate rehabilitation needs while recovering. Together, these organizations form Heywood Healthcare, offering comprehensive inpatient and outpatient services. We are proud of our exceptionally collegial medical staff, a supportive administrative environment and dedication to excellence and customer service. These are just some of the features that make Heywood and the Greater Gardner community an excellent place to practice medicine.
