Wednesday, November 30, 2016

8:30 am – 3:00 pm

MMS Conference Center
860 Winter Street, Waltham, MA

CONFERENCE INFORMATION

This one day program will offer practical information and updates on reimbursement and coding through lectures and a panel discussion. The lectures are intended to build on existing knowledge while at the same time offering practical guidance in the handling of coding, reimbursement and compliance. Separate concurrent breakout lectures will be provided during the afternoon session geared to the specific educational needs of professional coders and emergency physicians.

LEARNING OBJECTIVES

- discuss basic documentation fundamentals of ED coding;
- identify differences in regulatory changes affecting Emergency Medicine Coding & Reimbursement legislative compliance in 2016;
- develop better internal procedures;
- develop a better knowledge of the appropriate use of CPT and ICD-10 codes for professional services provided in the EDs, including diagnosis coding, fracture care, and physician extenders; avoid billing and processing errors

TARGET AUDIENCE

- Emergency physicians
- Professional billing and coding staff
