

Emergency Medicine Opportunities Currently Available at Lahey Hospital and Medical Center in Burlington, MA/Peabody MA,

Beth Israel Lahey Health/Lahey Hospital and Medical Center (LHMC) is currently seeking ABEM or ABOEM certified or prepared Emergency Medicine Physicians with exceptional clinical acumen, well-developed interpersonal skills, and a strong commitment to patient centered care. LHMC is a Level I Trauma Center and a 350-bed, Lahey is a regional medical campus for the UMass Chan School of Medicine - a teaching hospital consistently recognized as one of the best Academic Medical Centers in the country. The two Emergency Departments average approximately 62,000 patients annually with a high level of acuity and complexity. It is staffed by approximately 34 full time physicians and advanced practitioners with full support from nursing, support staff and scribes. Here are just a few of the features of our new state of the art Emergency Medicine facility that will support exceptional care in the ED:

Both ERs are located in very desirable communities approximately 12-15 miles from downtown Boston. The area offers an abundance of social, recreational and cultural amenities as well as easy access to Boston, the coast, the mountains, and all that New England has to offer. It is a truly wonderful area in which to practice and live.

- A 45,000-square-foot facility with 43 private rooms, four trauma bays, and a fast-track
- An Emergency Radiology program with Radiologists dedicated to the ER patient imaging with two imbedded CT scanners and x-ray,
- A behavioral health unit where social workers and psychiatric staff can see patients in a private and safe manner;
- Close proximity to the surgical ICU and the operating room
- A dedicated decontamination unit for patients with chemical and radiation exposure;
- An ER pharmacy where patients can fill their prescriptions before they leave.
