

## **CLINICAL EMERGENCY MEDICINE PHYSICIANS**

Brown Emergency Medicine, the exclusive provider of emergency services for the Brown-affiliated Miriam Hospital, Rhode Island Hospital, Newport Hospital and Hasbro Children's Hospital is seeking BC/BE clinical emergency physicians to join our faculty.

Our clinical physicians are eligible for appointments at The Alpert Warren Medical School of Brown University on the Clinician Educator Track or Clinical Track and have opportunities to teach Brown medical students, as well as emergency medicine residents in our outstanding 4-year Brown Emergency Medicine residency (14 residents/yr).

Many academic opportunities exist for involvement in our academic programs including: educational programs, including an advanced medical simulation center; emergency ultrasound; clinical research; injury prevention; EMS; and global emergency medicine. Opportunities exist for involvement in administrative programs such as quality and safety, health IT, and ED operations. More information about our department is available on our [website](#).

Applicants must have completed an ACGME-approved emergency medicine residency and be ABEM-certified or ABEM eligible in emergency medicine.

Qualified applicants should send a cover letter and CV to:

Jeremiah Schuur, MD, MHS  
Professor & Chair, Department of Emergency Medicine  
Rhode Island, Hasbro Children's, The Miriam & Newport Hospitals  
President, Brown Emergency Medicine  
593 Eddy Street  
Claverick Building, 2<sup>nd</sup> Floor  
Providence, RI 02903  
Applicants may also apply by email: [Jay.schuur@brownphysicians.org](mailto:Jay.schuur@brownphysicians.org)

Brown Emergency Medicine, an EEO/AA employer, actively solicits applications from women, minority and protected groups.
