

## Urgent Care Physician Atrius Health

### Boston & Metro Boston

Atrius Health, a well-established, physician-led, nonprofit healthcare organization, is nationally recognized for transforming healthcare through clinical innovations and quality improvement. Renowned for continuously improving the care delivered in our communities, our practices are located throughout the greater Boston area.

We have excellent opportunity for Urgent Care physicians to join our practice. Ideal candidates will be committed to providing high quality, evidenced based medicine to a growing and very diverse patient population. Our Urgent Care locations include: Boston, Somerville, Peabody, Burlington, Norwood, Braintree and Plymouth.

### Opportunity Highlights

- Collaborative and innovative practice environment that sees both children and adults
- Collegial clinicians and staff with a primary focus on preventive, evidenced base medicine
- Full, part time & per diem opportunities with flexible schedules
- Teaching & research opportunities through our Academic Institute and our affiliations with Harvard Medical School and Tufts University School of Medicine

Ideal candidates will possess:

- BC/BE Family Medicine, Med/Peds, IM, Emergency Medicine
- Excellent clinical and communication skills
- Work well in a team environment
- Strong commitment to providing outstanding health care to patients

Our goal is to create a work environment that is supportive, fulfilling, and brings joy and meaning back to the practice of medicine.

We offer:

- Teaching & research opportunities through our Academic Institute and our affiliations with Harvard Medical School and Tufts University School of Medicine
- Innovation Center, expertise in clinical informatics and predictive analytics embedded in a fully integrated EMR (Epic).
- Our support in leveraging technology to support physicians, with automated Rx renewals, e-consults and more.
- Exceptional benefits package including health, dental and life insurance, 401(k) match, disability, CME reimbursement, generous PTO, extremely competitive salary

Boston and metro areas feature a diverse culinary scene, access to cultural institutions, and proximity to world-class schools, employers and health care. Our region is historic but ever-evolving and is on the cutting edge of medicine and technology. Massachusetts offers access to exceptional public schools, the arts and cultural activities of Boston, the Cape Cod national seashore, ski resorts, hiking and so much more.

If you share in our mission of providing high-quality, value based care with a focus on the patient and the health of communities, consider us.
