Our physicians currently work 12-hour shifts with a plan to rotate in a combination of 8, 9 and 12-hour shifts at Heywood and 12-hour shifts with the option for 24-hour shifts at Athol. Heywood Healthcare enjoys 24-hour specialist coverage including OB/GYN, Cardiology, Orthopedics, General Surgery and Pediatrics, and strong Hospitalist support.

Heywood Healthcare is clinically affiliated with UMass Memorial Medical Center.

Heywood Healthcare offers a competitive compensation and benefits package including health, dental, disability and malpractice insurance, retirement plan and CME allowance. The opportunity exists to work at one or both sites with flexible annual hours. Heywood Healthcare offers coverage of relocation expenses.

The ideal candidate will enjoy practicing in a collaborative, close-knit setting with a strong emphasis on customer service. Interested candidates should contact Dr. Steven Yerid, Chief of Emergency Medicine, at (978) 630-6376 or steven.yerid@heywood.org

Enjoy the best of Maine...
in Bangor.

Emergency Medicine

Eastern Maine Medical Center seeks bc/be emergency physicians to join a hospital-employed staff of 18, supported by hospital-employed internal medicine hospitalists, pediatric hospitalists, and both pediatric and adult intensivists. EMMC is an ACS-verified level II trauma center, serving a high-acuity patient population with more than 37,000 visits per year and a 27.5% admission rate. EMMC is a base hospital for LifeFlight of Maine, a critical care air transport service flying nearly 900 missions per year. Opportunities for teaching residents and students. Excellent compensation, benefits, flexible scheduling and night differential.

Eastern Maine Medical Center is a 411-bed, regional, tertiary care center serving a patient population of 500,000 living in the northern 2/3 of the state's geography. EMMC also serves as the pediatric specialty center for the region. EMMC is part of the progressive and growing EMHS, a regional non-profit healthcare system ranked among the top 100 integrated health systems in the country.

Bangor is an award-winning small city offering easy access to Maine's spectacular coast, lakes, and mountains. Schools rank among New England's best. The University of Maine is located in neighboring Orono. Bangor is the regional hub for medicine, the arts, and commerce. Bangor International Airport offers direct and one-stop service to most major destinations.

TeedCo. Healthcare Recruiting is proud to partner with The 2014 New England Emergency Medicine Resident Job Fair.

TeedCo. is a unique firm in that we work diligently year after year assisting graduating residents and fellows in preparation for their job search. With a 25-year track record of exclusivity working in the field of Emergency Medicine we have been introducing Emergency Medicine Physicians to hospitals and groups nationwide.

All of our services are FREE to you! As you will find, there are many moving pieces to identifying more of the right opportunities to consider. TeedCo. consultants provide full cycle career services to candidates to prepare you for making the right final decision.

**Chief Residents**, TeedCo. travels the country presenting “*Tips and Guidance as you transition into your medical career*” to groups of graduating Emergency Medicine Residents and Fellows. We have **limited availability** in certain regions, so please inquire quickly. The presentation briefly outlines aspects of a practice, compensation, lifestyle, location and family needs and ends with an open forum.

**TeedCo.** is the founding co-sponsor of the **EMRA Clinical Excellence Award**. We would like to congratulate the 2014 recipient Paige Armstrong, MD with George Washington University.

Visit us at ACEP in Chicago at Booth 803!
